Primary Care Vision 2027 Your Practice, Your Future

June 14, 2024 at Bonnie Glen Pavilion, Alexandria

Family physicians, nurse practitioners and primary care leaders met to hear presentations and to determine what opportunities are top priorities. Presentations on AI Scribes, Navigation, Best Care and Interprofessional Primary Care Expansion were shared as some options for the OHT and Primary Care Network (PCN) to pursue. An engagement process was used to identify specific pain points and potential solutions that are important to practices, and to prioritize where to put our energy in the coming 1-3 years. [Read the full summary.](#)

PCN MEMBERS ARE NOW NEEDED!

Primary Care Vision 2027 cannot succeed without clinician involvement. [Please connect with Dr. Crabtree if you are interested.](#)

PRIORITIES

- Advocacy work with OH/MOH and various levels of government.
- Bring Team-Based Care to all practitioners: What will it take?
- Best Care implementation with interested practices.
- Navigation supports for practices and people to find services easily.
- Technology improvement and integration to improve workflow and reduce admin burden.

2023-2024 ANNUAL REPORT

This past year, the Great River OHT experienced meaningful collaboration and significant growth, marked by an increase in work groups and project tables that have enhanced the services we provide to our community. From community-wide cancer screening events to impactful EDI trainings, and a successful funding proposal that will bring 26 new healthcare staff to our area, the benefits of these partnerships are clear. We are just getting started and are incredibly optimistic about the future of the Great River OHT! [Read the 2023-2024 Annual Report.](#)

ALL OHT WEBINAR

The "All OHT Webinar" was held on June 25th. The purpose of the event was to: Build momentum and support for OHT advancement across all OHTs, provide updates, information, and direction to all OHTs on priority topics, e.g., primary care networks (PCN), home care, governance, etc., and support shared learning and knowledge.
